Dear Parents and Community Members:

The Asbury Park High School has been shocked and saddened by the recent death of our colleague and alumni, Kaeshon McMillian Sr. Our thoughts and sympathies are with his family and friends.

As parents and guardians please pay attention to your children's reactions, both what they are saying and perhaps what they do. If you are concerned about your child, reach out to a member of our support staff by email (addresses are listed below).

Children who express anger toward you or others; children who seem extremely sad or agitated; children who can't sleep or do not eat; children who are fearful to leave your home, all might need the comfort, support and understanding of a caring adult. Let us know. Let's work together.

Sincerely,

Dr. Kristie Howard-Morris,
Acting Principal
Asbury Park High School
